Twinkle, twinkle, little star star  
How I wonder what you are  
Up above the world's so high  
Like a diamond in the sky

**Twinkle, twinkle, little star star  
How I wonder what you are**

When the blazing sun is gone  
When there's nothing he shines upon  
Then you show your little light  
And twinkle, twinkle, through the night

**Twinkle, twinkle, little star star  
How I wonder what you are**

Then a traveller in the dark  
Thanks you for your tiny spark  
He couldn't see which way to go  
If you didn't twinkle so

**Twinkle, twinkle, little star star  
How I wonder what you are**

In the dark blue sky You keep  
while you through my curtains peek  
For you never shut your eyes  
Till the sun is in the sky

**Twinkle, twinkle, little star star  
How I wonder what you are**

How I wonder what you are
